

How to Schedule a COVID-19 Vaccine in Connecticut for individuals aged 75 and older

1. THROUGH A PROVIDER: People who are 75 years old and up can schedule through a provider ready for public distribution of vaccine to eligible residents. The state says more than 100 healthcare providers across the state are offering COVID vaccines. All locations require pre-scheduling and registration no walk-ins will be allowed.

- [UConn Health](#): Clinic locations in Farmington
 - UConn Health has launched a new COVID-19 Vaccine Scheduling Line as well at **860-679-5589**.
- [Hartford Healthcare](#): Several locations across the state
 - Hartford Healthcare said people can book appointments at Hartford HealthCare vaccine clinics in Wethersfield; Norwich; Shelton; and Hartford. More sites will be added.
 - A hotline is set up where people can ask questions about MyChart: **860-972-4993** or email: MyCHARTPLUSsupport@hhchealth.org
- [Yale New Haven Health](#) will begin vaccinating individuals who are 75 and older, beginning Wednesday, Jan. 20.
 - Appointments will be on a first-come, first-serve basis. To make an appointment, visit www.ynhhs.org/covidvaccine.
 - These YNHHS public vaccination sites will begin to open next week: North Haven, New London, Old Saybrook and Trumbull. A Greenwich site will begin the week of Jan. 25.
 - More sites will be added as they are approved.
- [Trinity Health of New England](#) is scheduling vaccine appointments for people 75 years and older at four vaccine clinics.
 - Patients can schedule an appointment through the VAMS system or through their Trinity Health primary care provider.
 - Soon patients will be able to schedule through MyCare.
 - More information is available at TrinityHealthOfNE.org/appointment

2. ONLINE: People who are 75 years old and up who have an email address and the ability to [schedule an appointment online can schedule through the online Vaccine Administration Management System \(VAMS\).](#)

NOTE: Family members can also submit information online for their loved ones.

Many providers can be accessed through the VAMS scheduling system including:

- Trinity Health of New England (hospitals and other locations)
- Griffin Hospital
- Nuvance Health
- Stamford Hospital
- Bristol Hospital
- Federally Qualified Health Centers
- Local Health Departments

3. BY PHONE:

Those without internet access can call Connecticut's COVID Vaccine Appointment Assistance Line at 877-918-2224.

The phone system was created in partnership with the Department of Public Health and United Way of Connecticut and is specifically targeted to provide support for eligible vaccine recipients who have limited technology access, or who have language, disability, or other barriers that could prevent them from using existing self-scheduling options successfully. **The line will take calls on Mondays through Fridays from 8:00 a.m. to 4:30 p.m. and will offer a call-back option when all contact specialists are busy serving other callers.** The team will aim to return calls as soon as possible, with the goal of same-day response, but should be prepared that it could take several days.
