

# SERAC Community Survey 2022

SERAC regularly conducts surveys of youth in our region to learn about their attitudes, perceptions and practices with respect to substance use, problem gambling and mental health.

**We want to hear from the adults in our region, too!**

The survey SERAC Community Survey will be open from  
5/16/2022 - 6/30/2022

***The Local Prevention Council in the community with the highest participation rate (as a percentage of population) will receive a \$1000 award.***

We encourage you to complete the survey yourself and to encourage others in your community to complete it as well.

**[CLICK HERE TO START THE SURVEY](#)**

Some possible ways to spread the word about the survey:

- Share SERAC's posts about the survey on your social media accounts.
- Use town listservs (park and rec, town hall, youth services, others) to share the links with residents.
- Ask your schools to share the links with parents (email, digital backpack, social media).
- Take printed copies to meetings and ask people to fill them out. You can enter them into survey monkey for them later.

***Will your community have the highest participation rate and get the award?***
