

COVID-19 VACCINE

Getting vaccinated is one of many steps you can take to protect yourself and others from COVID-19. Generations Family Health Center is offering the COVID-19 Vaccine.

GENERATIONS
FAMILY HEALTH CENTER

WHO IS NOW ELIGIBLE TO RECEIVE THE COVID-19 VACCINE?

Everyone 16+ years old who lives, works or attends school in Connecticut

Please note the vaccine that Generations offers (Moderna) has only been approved for 18 years and older.

WHO IS GENERATIONS VACCINATING NOW?

Due to vaccine and staffing availability, Generations is **ONLY** vaccinating our patients ages 18 years and older. Please note the vaccine that Generations offers (Moderna) has only been approved for 18 years and older.

WHERE DO 16 AND 17 YEARS OLD GET VACCINATED?

Individuals who are 16 and 17 years old should only sign up for a clinic that offers the Pfizer vaccine, as it is the only vaccine that is currently approved for this age group by the U.S. Food and Drug Administration.

WHERE ELSE CAN I SCHEDULE AN APPOINTMENT FOR THE VACCINE?

Many other healthcare providers are offering COVID-19 vaccinations. Appointment slots are being added every day in the State of Connecticut.

Visit <https://covidvaccinefinder.ct.gov/> to find additional COVID-19 vaccination sites, including those that offer the Pfizer vaccine for those between the ages of 16 and 17.

WHAT IF I AM UNABLE TO SCHEDULE ONLINE?

Those who are unable to self-schedule an appointment due to lack of internet access or access to technology, a disability or a language barrier can call the **COVID Vaccine Appointment Assist Line** at 877-918-2224.

The Assist Line is open seven days a week, from 8 am to 8 pm.

For further assistance with NON-Generations locations call 211.
